TO: Minerals File

FROM: Tom Munson, Reclamation Hydrologist 

RE: Site Inspection, Rex Harris, End of the Trail Mine, S/025/010, Kane County, Utah

Date of Inspection: November 7, 1996

Participants: Tom Munson, DOGM

This area is being mined by Rex Harris and Loy Crapo. The disturbance has been increased somewhat from the last inspection. Shane Crapo (Loy's son) was digging today. He was in the process of doing some reclamation of an area he had dug and will continue to do so. We discussed the areas that he was going to reclaim. Everything looked okay regarding the permit.
